Hi Team,

I am writing to express my keen interest in the Full Stack Developer position at your company. With over 5 years of professional experience in software development, I am confident in my ability to contribute to your team and deliver impactful results.

Throughout my career, I have gained extensive expertise in a wide range of technologies and frameworks including ASP.NET Core, ASP.NET MVC, LINQ, EF6, JavaScript, jQuery, HTML, CSS, and SQL Server. I am well-versed in Oracle database management and have successfully optimized database structures and written efficient stored procedures.

Having worked with version control systems like Azure DevOps, SVN, GitHub, and Source Tree, I am skilled in efficient collaboration and code management within cross-functional teams. Additionally, my experience in agile methodologies and project management has enabled me to lead and contribute to multiple projects.

In my previous role as a Technical Lead, I successfully managed a team of developers, overseeing project lifecycles and ensuring the timely delivery of high-quality solutions. My strong technical skills and leadership abilities have consistently driven successful project outcomes.

Apart from my technical expertise, I am highly motivated and adaptable, always seeking opportunities to learn and grow. I excel in requirements gathering, sprint planning, and delivering API solutions that exceed client expectations. Effective communication and collaboration with stakeholders have been instrumental in project success.

I am excited about the opportunity to bring my skills, experience, and enthusiasm to our company as a Full Stack Developer. I am confident that my technical background, project management capabilities, and dedication to delivering high-quality solutions align well with the requirements of the role.

I have attached my resume for your review. I would welcome the opportunity to discuss how my skills and experience can benefit further. Thank you for considering my application. I look forward to the possibility of joining your team and contributing to its continued success.

Sincerely,

Vignesh manoharan
